

PLAY FOR TEAM ATHENS!

UTILITY WORKER/PARK ASSISTANT

Team Athens is seeking a new star to play a key role in serving the needs of the Friendly City. The position performs general labor work in street cleaning and park maintenance.

Utility worker position involves a variety of work responsibilities to include, but not limited to, a variety of street cleaning work activities; such as picking up litter, brush, and leaves, clears overgrown vegetation using herbicides or equipment. The employee uses and operates a variety of small hand and power tools and equipment unique to work responsibilities. May assist other divisions with street cleaning, traffic control, and street construction. Must complete paperwork as assigned. Physical requirements are identified as heavy work. Must be able to obtain and maintain a valid TN CDL.

Park maintenance position involves performing ground maintenance work, including mowing, weed control and irrigation, ballfield maintenance, general clean-up and sanitation responsibilities throughout the department facilities, provides set up and tear down maintenance for events and provides work site direction for seasonal employees. Job requires some evening and holiday assignments. Physical requirements are identified as heavy work.

Must be able to process required paperwork and must possess or obtain valid TN CDL. Drug screen and a background check will be conducted. Hourly rate \$13.765. Applications are available at:
