Score will be kept. The home team will be responsible for keeping the official score book. Visiting team will keep the score board.

By rule 1.10, the bat shall not be more than 33 inches in length; nor more than 2 $\frac{5}{8}$  inches in diameter, and if wood, not less than fifteen-sixteenths (15/16) inches in diameter (7/8 inch for bats less than 30") at its smallest part. Wood bats taped or fitted with a sleeve may not exceed sixteen (16) inches from the small end. The bat shall bear the USA Baseball logo signifying that the bat meets the USABat Standard.

By rule, an inning is that portion of a game within which the teams alternate on offense and defense and in which there are three putouts for each team. Each team's time at bat is a half-inning. It will be held that an inning starts the moment the third out is made completing the preceding inning. A half inning is said to be over when 3 outs are made or 7 runs have scored. In the final inning the 7 run rule is not in effect and teams may score until 3 outs are made. A game will be called when one team is ahead by 12 or more runs after 5 innings.

The games will have a time limit of one (1) hour and thirty (30) minutes on school nights. No inning can be started after this time with the exception of a tie game. There will be no time limit when there is no school the next day.

**Pitch Count** – Pitches will be counted. The visiting team will be responsible for counting pitches. The Pitch Counter will report the number of pitches for the current pitcher to the Home Plate Umpire at the completion of each inning.

The Score Keeper and Pitch Counters are asked to sit together to confirm the score and pitch counts.

**Pitches Per Player PER DAY – The maximum pitches allowed per day is 85 pitches.**

66 or more 4 calendar days of rest

51-65 pitches 3 calendar days of rest

36-50 pitches 2 calendar days of rest

21-35 pitches 1 calendar day of rest

If the pitcher reaches the limit while facing a batter, the pitcher is allowed to finish pitching to that batter until the batter reaches base or is put out.
