Score will be kept. The home team will be responsible for keeping the official score book. Visiting team will keep scoreboard. There is a 5 run rule limit per inning.

By rule 1.10, the bat shall not be more than 34 inches in length; nor more than 2 $\frac{5}{8}$ inches in diameter, and if wood, not less than fifteen-sixteenths (15/16) inches in diameter (7/8 inch for bats less than 30") at its smallest part. By rule, an inning is that portion of a game within which the teams alternate on offense and defense and in which there are three putouts for each team. Each team's time at bat is a half-inning. It will be held that an inning starts the moment the third out is made completing the preceding inning. A half inning is said to be over when 3 outs are made or 5 runs have scored. The games will have a time limit of one (1) hour and thirty (30) minutes on school nights. No inning can be started after this time with the exception of a tie game. If there is no school the next day there is no time limit.

Pitch Count

Pitches will be counted. The visiting team will be responsible for counting pitches. The Pitch Counter will report the number of pitches for the current pitcher to the Home Plate Umpire at the completion of each inning.

The Score Keeper and Pitch Counters are asked to sit together to confirm the score and pitch counts.
