PRESS RELEASE

FOR IMMEDIATE RELEASE ON: Wednesday, July 27, 2016
REVISED ON:

The City of Athens Public Works Department established a Grading Permit Policy in April of 2002. The policy was established in order to protect property and the public from unregulated disturbing of soil and land clearing activity which could cause damage to surrounding properties. The Grading Permit Policy and Grading Permit Application are available on line. Completed forms must be submitted to the Public Works Department for processing. To view the policy or application forms you may do the following:

Go to www.cityofathenstn.com

Click on Government

Click on Department

Click on Public Works

At bottom of page click on Grading Permit

For the Grading Permit Policy click on continue reading under Grading Policy

For the Grading Permit Form click on continue reading under Grading Permit

If you have questions, please contact City of Athens Public Works Department (423) 744-2745.
