PRESS RELEASE

FOR IMMEDIATE RELEASE ON: **Wednesday, November 8, 2017**

The City of Athens Department of Public Works advises the residents and business owners of the following ongoing program. The City of Athens Geographical Information System Technician is performing stormwater data collection over various areas of the city during the next several weeks. The GIS Technician will be working along city rights-of-way in an effort to map stormwater drains, culverts, catch basins, and retention/detention ponds. The City of Athens will issue press releases periodically in an effort to keep the public informed as to the data collection areas.

The current areas of data collection are N. Jackson Street, Woodward Avenue, Velma Road, Clearwater Road, Cindy Street, Anton Street, Hammerhill Road, Knoxville Avenue, Guille Street, Forrest Avenue, Redfern Road, and East Avenue.

Please contact the City of Athens Department of Public Works at (423) 744-2745 with any questions.
